## STANDING ORDER MANDATE

A Standing Order (sometimes known as a "Standing Instruction" or "Banker's Order") is an instruction which you give to your bank to pay a set amount at regular intervals to another account. A Standing Order is distinct from a Direct Debit. A Standing Order sends payments arranged by the Payer (you). It can only be set up and modified by the Payer. This differs from a Direct Debit which is specified and collected by the Payee (the person who receives the payment).

If you would like to donate to the James Gibb Stuart Trust on a regular basis, then you may find it convenient to use this Standing Order mandate.

Remember you may be able to "Gift Aid" your Standing Order payments – which means we will receive an extra 25% – by completing our Gift Aid form. Also, you can reduce your Inheritance Tax burden by giving to our charity while you are alive.

Such charitable gifts will *not* count towards the calculation of your Estate.
